

PRIMARY DATA REQUIRED FOR THERMAL AUDIT

Company's Details:	
Name of the organization:	
Unit location address:	
Tele/Fax/email:	
Production Details:	
Main Products ^{\$} :	
Installed Capacity:	
Last Year Production:	
Last Year Turn Over in INR:	

Fuel Details

Sr No	Fuel Type	GCV kcal/kg	Landed unit Rate	Consumption qty per month	Consumption value Rs/month

Main Thermal Energy Generators:

Sr No	Equipments	Capacity	Nos	Make/Model	Specifications	Fuel Type	SEC

Please indicate IBR & Non IBR separately

Main Thermal Energy Consumers:

Sr No	Equipments	Capacity	Nos	Thermal energy cons per hour	Specifications	Cons per month	Total value per month

Other information:

- Utility flow diagram available? **Yes/No**
- P&ID available for utility? **Yes/No**
- Designed energy balance for utility available? **Yes/No**
- Designed material balance for utility available? **Yes/No**
- Performance/efficiency certificates for utilities available? **Yes/No**
- Specific Energy Consumption for main thermal energy generators and users available? **Yes/No**

Operation Details	
Operating shifts:	single/double/three
Shift timings:	

Contact person for energy audit:	
Name	
Designation	
Telephone no	
Email	

\$ Attach brief process description of main products/process

Complied by:

Signature, Name & Designation

Date: _____
